SRN: DE-MF-000029034

This declaration of conformity is issued under the sole responsibility of the manufacturer.

Product description:

Product and trade name: DiaBrothers fixation strap for CGM sensors and patch pumps

Intended use: Additional fixation of a CGM sensor or patch pump to prevent it from falling off prematurely during activities (e.g. sports). The fixation supports the sensor or patch pump adhesive, which is attached to the user's skin. Sweating or strong movements can cause the adhesive to loosen, causing the sensor or patch pump to fall off and no longer function properly.

Basic UDI-DI according to Annex VI Part C: 42700035876DB-1E6

Risk class according to Annex VIII: I

We confirm that the products comply with the applicable essential safety and performance requirements according to the Medical Devices Regulation (EU) 2017/745.
